## THE INTERVIEW PROCESS

Interviews at WesternU are meant to be an exchange of information in a warm and welcoming environment. It is an experience that is both positive and enjoyable for the student applicants. Applicants have been selected by the individual college admissions committee because they exemplify those qualities that we feel are important in the health care professionals whom we educate. Selected applicants also fit the mission and vision of the Master of Science in Medical Science (MSMS) program.

The MSMS program is designed to assist individuals from diverse backgrounds in gaining acceptance to professional schools with the ultimate goal of increasing the number of health-professionals practicing in underserved areas.

**Notification letters of all categories (*accept, alternate, and non-accept*) will be sent approximately two weeks after your interview; please do not call the admissions office for your status.**

**WesternU considers the interview process completed when the applicant attends ALL of the scheduled activities listed.**

### **Health Insurance**

[www.westernu.edu/registrar/registrar-about/registration-information/student-health-insurance/](http://www.westernu.edu/registrar/registrar-about/registration-information/student-health-insurance/)

As a full-time WesternU student, you must show, during registration EACH academic year that you have a current health insurance policy.

Many students are enrolled in plans offered by Blue Cross, Kaiser Permanente, HealthNet, PacifiCare, Aetna, US Healthcare, and United Healthcare. There are many companies that can give you the coverage you need for your specific health concerns. Coverage requirements for all students seeking to waive out of the school sponsored insurance plan are as follows:

- Active coverage for the entire school year
- Deductible of \$1,000 or less per policy year
- Plan provides coverage in the United States

Should you choose not to go with another health insurance plan or if you do not show proof of insurance by the deadline, you must actively enroll in a **health plan** through Aetna. Please note that this plan **DOES NOT COVER** dental or vision. Under this plan, students have access to a network of healthcare providers. Listed below are some of the additional main highlights of this insurance plan. For complete details visit our health insurance page at [www.westernu.edu/registrar/registrar-about/registration-information/student-health-insurance/](http://www.westernu.edu/registrar/registrar-about/registration-information/student-health-insurance/)
